

TC training schedule for July to December 2026

To request training, your advisor (faculty of BSBE) will send an email to Swati Patankar and Archana Shetty with a copy to you.

The email will contain the following information: (1) name of student, (2) roll number, (3) expected start date and end dates. Note that the start date should be soon after your training is complete, not in the distant future.

Month	Date	Time slot
July	7 th July	10 – 11 am
	21 st July	10 – 11 am
August	4 th August	10 – 11 am
	18 th August	10 – 11 am
September	1 st September	10 – 11 am
	22 nd September	10 – 11 am
October	6 th October	10 – 11 am
	21 st October	10 – 11 am
November	3 rd November	10 – 11 am
	18 th November	10 – 11 am
December	1 st December	10 – 11 am
	15 th December	10 – 11 am

Please Note:

1. Lab coat is mandatory for the training.
2. Information on the cell lines that you will be working with, including biosafety level (BSL), is needed.
3. Once training is complete, you will be added to TC Facility users email group and provided biometric access to the facility.
