

PhD Admissions Spring 2025-26

Research Areas

- Structural Biology & Bioinformatics
- Molecular Biology, Cell Biology & Developmental Biology
- Biophysics & Computational Biology
- Microbial Systems & Host-pathogen interactions
- Proteomics & System Biology
- Cancer & Immunology
- Neurodegenerative diseases & Genetic Disorders
- Tissue Engineering & Drug Delivery
- Sensors, Devices & Instrumentation
- Neurophysiology & Neuroengineering
- Computational Medicine & Biomedical Informatics
- Medical Optical, Ultrasound Imaging & Image Processing
- Robotics for Healthcare applications
- AI/ML in health care applications
- Psychology, Behavioural Science

Schedule of PhD Interviews

- Advertisement (on IITB website) : **05 Sept 2025**
- Availability of Application Forms : **10 Sept 2025**
- Last date for submission of completed application REGULAR forms (without late fine) : **17 Oct 2025**
- Last date for submission of completed application EXTENDED forms (with late fine) : **21 Oct 2025**
- Announcement of Shortlisted applicants list for Round 1 Interviews : **05 Nov 2025**
- Round 1 Interviews (virtual mode ONLY) : **06 - 10 Nov 2025**
- Announcement of Shortlisted applicants list for Round 2 Interviews : **13 Nov 2025**
- Round 2 Interviews (In person ONLY) : **26 - 28 Nov 2025**
