BIOSCIENCES AND BIOENGINEERING
INDIAN INSTITUTE OF TECHNOLOGY BOMBAY

PhD Admissions Spring 2026-27

BSBE Department consists of two research groups: the Biosciences and Engineering (BSE) group and the Medical Engineering (MedEngg) group

Research Areas

- Structural Biology & Bioinformatics
- Molecular Biology, Cell Biology & Developmental Biology
- Biophysics & Computational Biology
- Microbial Systems & Host-pathogen interactions
- Proteomics & System Biology
- Cancer & Immunology
- Neurodegenerative diseases & Genetic Disorders
- Tissue Engineering & Drug Delivery
- Sensors, Devices & Instrumentation
- Neurophysiology & Neuroengineering
- Computational Medicine & Biomedical Informatics
- Medical Optical, Ultrasound Imaging & Image Processing
- Robotics for Healthcare applications
- AI/ML in health care applications
- Psychology, Behavioural Science
- Motor Control, Biomechanics, Rehabilitation Engineering

Schedule of PhD Interviews

Detailed PhD Admission Process: click here **List of Projects floated: click here**

- Advertisement (on IITB website) **: Sept 4, 2026**
- Availability of Application Forms **: Sept 16, 2026**
- Last date for submission of completed application REGULAR forms (without late fine) **: October 17, 2026**
- Last date for submission of completed application EXTENDED forms (with late fine) **: October 21, 2026**

Written/Interview process for Group A

BS: Biosciences Group

Written Test : Dec 7, 2026
Round 1 In-Person Interview: Dec 8-9, 2026
Round 2 In-Person Interview: Dec 10, 2026

Interview process for Groups B and C

Group B - MedEngg: Medical Engineering Group
Group C - BioEngg: Bioengineering Group

Round 1 - Online Interview: Nov 2-5, 2026
Round 2 - In-Person Interview: Dec 8-9, 2026
